## VINTAGE 2018

Infield's new **Braud de-stemming harvester** could make a positive impact in your vineyard this vintage.

**Saving you time and money**, it's twin bin collecting system carries a full 5 tonnes of fruit and may even eliminate the need for additional machinery in your vineyard.

This new addition to our complement of Braud harvesters, is already tried and tested in the Adelaide Hills. Providing a cleaner end-result it's technology has quickly met the approval of local growers and leading winemakers.

Before committing to any other contractor, contact us for a quote and see the improvement for yourself. **We're here to help you take the worry out of vintage**
